

PVS Select Camp

Invite-Only Opportunity for Top Finishers (Ages 11–14)

Potomac Valley Swimming athletes — the stakes at the upcoming Age Group Championships just got a little higher. Your performance can earn you more than a podium spot.

Potomac Valley Swimming (PVS), in partnership with Fitter & Faster Swim Camps, is offering an exclusive **PVS Select Camp** for athletes ages **11–14**. This invite-only experience is **provided at no cost to participants** (all expenses are covered by the LSC) and is designed for the LSC's top age-group performers. Athletes will receive high-level skill development plus classroom learning focused on racing excellence.

Qualification

Swimmers who finish **in** the top 3 in any 11–12, 13–14, or 14 & Under **individual event** at the 2026 PVS SC Age Group Championships will qualify for the camp. Qualifying swimmers will be asked to provide a contact email address at the awards podium. Invitations and additional details will be sent after the meet concludes. Any questions regarding the camp can be sent to PVS Age Group Chair Chris Schlegel at agegroupchair@pvs swim.org.

Learn from the best

This select camp will be led by two elite clinicians who know exactly what it takes to compete - and succeed - at the highest level:

Destin Lasco: American Record Holder, U.S. National Team Member, and NCAA Champion. Destin also grew up attending **Fitter & Faster** camps himself, so he understands what makes these experiences impactful as both an athlete and a professional. Athletes will learn the details behind his world-class underwater speed, plus the skills and decision-making that drive elite race execution.

Atiba Wade: Master technician and elite Fitter & Faster clinician.

Atiba brings dynamic, high-energy coaching and a rare ability to break down the mechanics of speed, power, and racing tactics in a way athletes can immediately apply.

Training focus

Athletes will train advanced racing skills - **starts, turns, finishes, and relays** - paired with an engaging classroom session led by the clinicians that will review race footage, mental preparation, nutrition, balancing school and swimming and more.

Camp details

- **When:** Sunday, April 19th, 2026
