ATHLETE MEMBERSHIP

USA SWIMMING FLEX MEMBERSHIP

Beginning with the 2019 registration year, PVS will offer the USA Swimming Flex Membership option. This reduced rate membership category allows an athlete to compete in up to two non-championship meets. The Flex Membership fee as well as administrative rules regarding Flex membership are set by USA Swimming. Flex members may upgrade to Premium Membership (year round, full privileges) at any time during the year by paying the difference between the flex membership and premium membership. Each individual PVS club can decide whether to offer the Flex Membership option to its members.

USA SWIMMING SEASONAL MEMBERSHIP

Seasonal Membership registers an athlete with USA Swimming from April 5 through August 31. Seasonal memberships are offered at a reduced rate and allow the athlete to participate in all PVS meets during the designated months. Athletes may not compete as a USA Swimming athlete in another LSC or at higher level meets (Eastern Zone & Sectional Championships or USA Swimming National Meets) under the seasonal membership program. Seasonal memberships are not transferable to another LSC.

OPEN WATER REGISTRATION

Individuals wishing to compete in an Open Water event but who do not wish to become a member of USA Swimming/PVS may apply/purchase a one-time registration. Open water registration allows the athlete to compete in a single open water event.

CLUB MEMBERSHIP

Clubs must complete the USA Swimming Club Application form annually and submit to the PVS Registrar.

In order to encourage club participation at PVS meetings, PVS established a non-participation fee. This fee is assessed to non-college clubs that do not have representation at a minimum of 2 of the 3 Competition Committee Meetings (CCM) and the annual House of Delegates (HOD) meeting during the fiscal year (Fall, Winter, Spring CCM and Spring HOD). The fee will be billed to clubs not meeting the minimum participation requirements within 30 days following the HOD. MINOR ATHLETE ABUSE PREVENTION POLICY (MAAPP)

Per the U.S. Center for Safe Sport, USA Swimming has adopted a Minor Athlete Abuse Prevention Policy (MAAPP). This Policy addresses risk areas that present opportunities for abuse to occur.

The Policy covers five (5) areas:

- One-on-One Interactions
- Travel: Local & Team
- Social Media & Electronic Communication
- Locker Rooms & Changing Areas
- Massages & Rubdowns

MAAPP will apply to all adults who interact with and have direct and frequent contact with minor athletes, including adult athletes. The language used in the policy is Applicable Adult. All Applicable Adults will be required to follow MAAPP.

All USA Swimming non-athlete members regularly complete Safe Sport training, known as Athlete Protection Training. Now, all adult athlete members will also be required to complete Athlete Protection Training. All adult members—athlete and non-athlete—will be required to complete the training annually.

All USA Swimming LSCs and member clubs are required to update their policies to reflect MAAPP. MAAPP is provided in full at www.usaswimming.org/.

ATHLETE FINANCIAL AID AND OUTREACH

Potomac Valley Swimming has established a Financial Aid program to ensure that every PVS athlete is afforded the opportunity to participate in USA Swimming and PVS programs for which they qualify regardless of their financial situation. The financial aid is limited to a waiver of fees for PVS Sponsored programs and/or reimbursement for costs incurred while participating in USA Swimming sponsored programs. Petitions for financial aid should specify the need, the program to which it will be applied, and should be forwarded to the PVS Administrative Office. Applications will be reviewed by the General Chair, the Finance Vice Chair, and the appropriate Competition Division (Age-Group or Senior) Chair for recommendation to the PVS Board of Directors. Recommendations will be made and acted upon without reference to the individual's identity.

OUTREACH MEMBERSHIP

Outreach membership offers qualified individuals the opportunity to become a USA Swimming year-round athlete member at a reduced fee. The USA Swimming fee for Outreach membership is reduced and the Potomac Valley LSC fee is totally waived. The goal of this program is to provide opportunities in swimming to economically disadvantaged youth in the United States. Outreach membership through Potomac Valley is available to individuals who receive Free [or Reduced] School Lunch.

It is PVS policy to develop a program to permit applications to be solicited so additional grants [similar to that made to the group Nadar Por Vida] are made under this program. This is to encourage member clubs and other individuals to apply for grants to support this type of activity in the future.

PVS will waive entry fees into PVS sponsored meets for athletes registered under the outreach program. Clubs will submit entry fees for Outreach swimmers' entries to the host club and then the PVS Finance Vice Chair will approve reimbursement requests. Requests for Outreach Athletes' entry fee credit must be submitted using the [online form](#).

CAMP PROGRAM

Potomac Valley Swimming supports the USA Swimming Camp Programs. Budgeted funds are used to offset the cost of the program to PVS athletes and to compensate the hosting club for supporting the event. USA Swimming provides materials, T-shirts, and compensation for the camp director and staff.

Participant fees are assessed to cover the difference between actual cost and allocated funds. Fees vary according to the cost of rooms, meals, transport, etc., but our goal is to keep the cost to the participant to the absolute minimum required. Rebates to the host club are paid upon receipt of financial reports and copies of any reports required by USA Swimming.

Uncompensated travel to/from USA Swimming Select Camp Programs will be reimbursed as follows:

- Athletes must meet PVS Travel Assistance requirements.
- Maximum reimbursement not to exceed \$300.00.
- Athletes must present proof of participation (e.g., registration fee receipt) and proof of travel cost (e.g., receipt/ticket stubs).

Using "PVS Qualified Travel Assistance Form", athlete must prove he/she has met minimum travel assistance requirements, including meet/events swims, for 1 of the 2 previous seasons (i. e., either Short or Long Course)

ATHLETE TRAVEL ASSISTANCE

Through the PVS Operating Fund, Potomac Valley Swimming (PVS) provides financial assistance to PVS member clubs whose athletes participate in designated National level events. The PVS Board of Directors will determine the eligible events and the travel assistance, based upon recommendations from the Competition Committee. The dollar amount of travel assistance provided per athlete is based upon the amount of money allocated from the PVS Operating Fund in the annual operating budget.

An athlete may be granted assistance for both the USA Swimming Junior Championships and the USA Swimming National Championships in the same season one time only. After this one time "double-dip", an athlete is eligible for reimbursement for either the USA Swimming Junior Championship or the USA Swimming National Championship Meet. An athlete may receive up to four (4) travel shares in a competition year (September 1 to August 31), one time only. After their one time "double-dip", an athlete may receive up to three (3) travel shares each competition year. Athletes participating in their fifth (5) or greater USA Swimming Junior Championship Meet will be eligible for one-half of the regular Junior-level reimbursement.

Athletes receiving travel assistance from USA Swimming - athletes attending a USA Swimming National Event - may not receive more than their actual expenses in travel assistance from USA Swimming and PVS combined.

In order to receive travel assistance from Potomac Valley Swimming (PVS), an athlete must meet certain minimum eligibility requirements:

- The athlete must be registered with PVS for at least six months prior to the meet and must represent PVS at the meet for which they are requesting assistance.

- An event where the athlete scratches the final, or is disqualified by the referee for misconduct, is considered incomplete.
- The athlete must have completed the required number of events, in the designated meets, as recommended by the PVS Competition Committee and approved by the PVS Board of Directors. This required number of events is set annually. Qualifying period for December national meets (for travel assistance) to be from April 1 through the entry deadline. The athlete must swim 4 events in PVS sanctioned competition with no requirement to swim an event in a PVS sanctioned meet for which the athlete is swimming in the national meet. Approved meets are not to be considered when reviewing athlete qualifications.
- Full time collegiate students who have been registered with PVS for two years prior to entering college are exempt from the participation requirement as long as they are representing PVS.

Completed PVS Requests for Travel Assistance are due not later than thirty (30) days after the competition or event for which travel assistance is being requested. The club must file this request within thirty (30) days of the conclusion of competition. The club is attesting that the athletes listed as "QUALIFIED" have satisfied all eligibility criteria. The club must also list those athletes that deserve an appeal in the "APPEAL" section of the form and provide supporting rationale. An Athlete's Certification form must be submitted for each athlete listed.

Requests for Travel Assistance from athletes that meet the stipulated travel assistance requirements will be submitted by the Senior Chair to the Finance Chair for reimbursement within ten days after the deadline. The Senior Chair will report the names of athletes awarded reimbursement at the next board meeting.

All appeals will be reviewed at the PVS Board of Directors meeting immediately following the due date. The Senior Chair will present the appeals at this time including their recommendations. Appeals will be based upon the information that the Head Coach has provided, so please ensure that all relevant facts are provided. No further appeals will be entertained. The Board will vote on each appeal at that time.

Any member of Potomac Valley Swimming can contest the eligibility of an athlete listed in the QUALIFIED section of the request.

If the Club's submission is contested, the Club will have fourteen (14) days to provide supporting data. If the Club can (or does) not provide the supporting evidence for the contested request, the Club will be charged the Integrity Fine (\$100 per occurrence). Any money issued by PVS for the contested request shall be returned. No further appeals of "QUALIFIED" athletes will be entertained. Requests received later than thirty (30) days following the meet will be returned without action.

The Board shall establish during each season's budget cycle, the maximum Athlete Travel (financial) assistance allowable for each eligible meet. If approved by the HOD, these are the amounts to be paid for each eligible competitor who applies for Travel Assistance.

AWARDING PVS-SPONSORED MEETS

Upon approval of the PVS competition schedule, clubs are invited to host PVS-sponsored meets by submitting a bid before the specified deadline on the forms provided by PVS.

At the time of bid submission, each club may designate certain meets that they managed for PVS during the previous year as "priority meets." This designation will indicate the clubs strong desire to run these meets for the upcoming season. Unless extraordinary circumstances exist, clubs will be awarded these meets. Clubs are permitted to designate up to two (2) meets for the short course season, and one (1) meet for the long course season as "priority meets." All meets not designated as "priority meets" would be open for bidding.

PVS will award meets based upon the following considerations:

- "Priority meets" awarded to prior managing clubs that are in good standing.
- Past history in managing swim meets in compliance with PVS Policies and Procedures.
- Bids are then awarded in order to involve as many clubs as possible.
- The Senior Chair, Age Group Chair, and both Coach Representatives will review the bids. They will make a recommendation to the PVS Board of Directors.

GRANTS FOR PVS CLUB-HOSTED OPEN WATER EVENTS

The PVS Board of Directors offers an Open Water Competition grant program. Teams may apply for up to \$4000 per event. The LSC supports up to three open water competitions a year within the fiscal year (September – August). Each team follows the procedure established by the PVS BOD to apply for funding. Minimum requirement:

- The meet host must submit a grant request that includes a complete event operation and planning package.
- The meet host must supply a complete budget (projected income and expenses).
- The meet host must supply a post meet operations report supplied by PVS that includes all costs, sponsorship and income associated with the event as well as receipts for requested grant.

ENTERING MEETS

Occasionally, athletes enter a meet based upon their performance at a "qualifying" meet that occurs after the entry deadline for the "championship" meet.

In these cases, the athlete must enter the "championship" meet through the "qualifying" meet director. They may enter only events for which they just qualified and they must use their new qualifying time to enter. No other entries are permitted.

Each club will be responsible for submitting an electronic entry file.

For late entries, every reasonable effort will be made to have these entries (entered directly) seeded correctly into the meet. However, if the meet program preparation has begun, these entries will be given to the meet director and will be handled in the same manner as late (deck) entries and may incur a late fee, as specified in the meet announcement.

The athlete will be added to the event in the deck computer as a deck entry and placed wherever they will fit without reseeding the event; a known absentee lane in an appropriate heat or an empty lane in the first heat. If no empty lanes are available, the first heat should be split to create an available spot.

Relay only swimmers for PVS sponsored meets are required to be submitted with an initial meet file with name and USA-S ID.

ENTRY TIMES

- Qualifying entry times for PVS meets (PVS and Club-Hosted) shall have been achieved not earlier than exactly two (2) years prior to the entry deadline for the meet. This applies to both long and short course meets.
- A swimmer who has achieved an Official Time recognized by USA Swimming during the two year qualification period may not enter that event at any meet where the swimmer's time is faster than the meet's listed "No Faster Than (NFT)" time standard. This applies to both long course and short course time standards.
- A swimmer may request a waiver in order to compete in an event, or events, which they are excluded from as stated above. Said waiver request must be submitted in writing to the PVS Competition Committee Chairperson at least 90 days prior to the entry deadline for the meet in question. A response is due to the petitioner in writing at least 30 days prior to the entry deadline for the meet in question.
- All requests for waivers are to be decided by a majority vote of the following five (5) individuals: the PVS Age Group Chair, the PVS Senior Chair, the PVS Senior Coaches Representative and the two (2) PVS Athlete Representatives.
- Entry times for individual and relay events shall have been achieved within the two years prior to the meet entry deadline; however, the times need not be the best competitive times of the swimmers but can be any time they have swum equal to or under the event qualifying time.
- Swimmers entered in the 800/1000 and 1500/1650 freestyle do not need to enter their best times, but may enter themselves at their fastest time or at the time standard.

- A swimmer must enter with "no time" (NT) if they do not have a time in an event. Entries with "no time" are permissible when there is no qualification time or if the qualification times are "no faster than" limitations. "Coaches Times" may be used instead of NT only when the meet announcement specifies this. (4/14)
- Entry time for disability swimmers shall reflect times set forth in USA Swimming Parallel Time Standards

Entry Times and Criteria for PVS Distance Meets / Events (to include all PVS distance meets and distance events at PVS Open Meets):

Qualifying Provable Time for 13&O Swimmers:

There are no petitions allowed for 12&U athletes.

Nonconforming times will be seeded after conforming times. Nonconforming distances will be seeded after conforming distances.

Distance Coordinator has the authority to use their discretion, when provided with satisfactory evidence by a 13&O athlete's coach, to permit a swimmer to enter an event as well as to determine the appropriate seeding placement.

- In the event the meet is a PVS sponsored meet, the \$100 paid would be an allowable meet expense.
- Sanctioning of meets to be held out-of-LSC under the —“Sanction Fee Treaty” shall follow the same policy and procedure as meets run within PVS.
- Potomac Valley Swimming Host Clubs’ Fines for Failure to Comply with Critical PVS Meet Hosting Requirements

CLUB-SPONSORED MEETS

For club sponsored meets, PVS charges the standard fee of \$0.55 per entry and credits the club up to \$100 paid to the host LSC (receipt must be provided), providing the splash fees generated are at least \$100. In the event the meet is a PVS sponsored meet, the \$100 paid would be an allowable meet expense.

Sanctioning of meets to be held out-of-LSC under the “Sanction Fee Treaty” shall follow the same policy and procedure as meets run within PVS.

HOST CLUB FINES FOR FAILURE TO COMPLY WITH CRITICAL PVS MEET HOSTING REQUIREMENTS

PVS clubs that host PVS-sponsored meets are required to complete certain tasks that are critical to the LSC's ability to collect all meet entry fees due from participating clubs. Failure of host clubs to comply with these requirements in a thorough, accurate, and timely manner significantly complicates and, in some cases, negates the ability to collect all meet entry fees due from clubs participating in the meets. The consequence for not complying with these requirements will result in financial penalties for host clubs.

- Host clubs are required to forward to results@pvs swim.org a final pre-meet Meet Manager Backup file for the meet prior to start of the meet. This file should contain all pre-meet entries into the meet. Theoretically, the only difference between this file and the post-meet file should be for deck and time trial entries when these types of entries are allowed in the meet. The pre-meet files and post-meet files for meets that do not allow deck or time trials entries should be exactly the same except for the correction of errors or absent athletes.

Penalty for Failure to submit an accurate pre-meet entry file to PVS before the start of the meet: 5% of meet management fees due to the host.

- Host clubs are required to submit a complete and accurate meet financial report to the Finance Vice Chair at accounting@pvswim.org no later than 10 business days following the conclusion of the meet. Included with the report should be:
 - all meet entries,
 - listing of deck and/or time trial entries (when allowed),
 - listing of unattached swimmers and club; acquiring payment for these swimmers is the responsibility of the meet host,
 - checks made to Potomac Valley Swimming,
 - cash retained,
 - late fees assessed to clubs for overdue entry submittals (*these fees are due to PVS*)
 - Hospitality and supporting receipts,
 - listing of miscellaneous disposable supplies with supporting receipts, and other documents

Failure to provide accurate and timely reports and supporting documents (e.g., receipts, checks, etc.) impacts processing of club billings and meet management fees.

Penalty for failure to submit the Meet Director's report and information noted above no later than 10 business days following the conclusion of meet will result in an assessment against meet management fees due host of 5%. Delays greater than 60 days may result in denial of future meet hosting opportunities as well as other penalties to be decided by the PVS Board.

- Entry fees for deck entries and time trials are to be collected from the club or swimmer at the time of entry into an event or events at the meet.

Penalty for failure to collect deck entry fees or time trial entry fees at time of entry into events will result in the following:

- PVS to bill the host club for these entries and/or
 - Meet management fees will be withheld from the host for those deck and/or time trial entries that have not been collected.
- Entry fees from non-PVS teams participating in a meet and from PVS or non-PVS unattached athletes must be collected prior to conclusion of the meet. Failure to collect entry fees from non-PVS clubs and unattached athletes prior to the meet's conclusion will result in the following penalties:
 - PVS will bill the host club for these entries and/or
 - Meet management fees for these entries will not be paid to the host if entry fees have not been collected by the host prior to the conclusion of the meet.

The "host" club or clubs will remit \$0.55 per entry to PVS as a sanction or "splash" fee. All meet expenses, including printing, distribution of meet announcements and results, are the responsibility of meet HOST.

Meet announcement and results will be made available through the PVS website, if provided in the proper electronic format. Dual and tri-meet results will be made available through the PVS web site, if provided in the proper electronic format. Pool procurement and payment of any pool rental fees are the responsibility of the host. Club-hosted meets will be placed on the PVS schedule through a process defined by the Competition Committee and approved by the PVS Board of Directors.

Additionally, a copy of the meet results must be provided to the PVS Administrative Office within 48 hours of the conclusion of the meet. Results will be posted on the PVS website but must be submitted in the proper format for posting.

Entry fees for PVS sanctioned meets will be billed to the host club after the meet. Entry fees for out-of-LSC clubs and unattached athletes must be collected by the meet host prior to the start of the meet.

Invoice payments later than net 30, will be assessed a finance (late) charge which will be based on an annual interest rate and charged monthly (the late fee will be the interest rate or a flat fee of \$25, whichever is the greater of the two). Interest will be charged at a rate of .027397 per day (10% per year).

The delinquent club will not be allowed to enter its athletes in any future PVS sanctioned meets until all outstanding entry fees, club dues, fines, and interest are paid in full. Additionally, delinquent clubs will be reported by the PVS Finance Vice Chair to USA Swimming as a club not in good standing.

A splash for all types of meets is defined as being one entry. An entry is counted regardless of subsequent scratches, DQs or "no swims." Splits and/or swim-offs are not counted as splashes.

SPECIAL EVENTS

"Special Events" are defined as those events which are awarded to a host PVS club by a body higher in authority than Potomac Valley Swimming (Eastern Zone, USA Swimming, or World Aquatics). Awarding of these events often requires a bid or application process by the host club to the awarding authority.

"Special Events" include but are not limited to:

- Eastern Zone Championships (short or long course)
- Eastern Zone Sectional Championships (short or long course)
- Eastern Zone Open Water Championships
- U.S. Open Championships
- USA Swimming National/Junior National Championships

- USA Swimming Futures Series
- USA Swimming Pro Swim Series

In the event that the host club assumes all responsibility for hosting this meet (financial and meet management) there is no "splash fee" imposed by PVS.

CHARITABLE EVENTS

A waiver of sanction fee is permitted for club sponsored charity meets.

The LSC General Chair is authorized to waive sanction fees for club meets meeting all the following conditions:

- Requests are limited to dual and tri meets.
- Requests must be made at least 7 days prior to the meet's start date.
- In addition to the information normally required for a dual or tri meet, request must also include name and employer identification number of the charity.
- Following the meet, the host club must provide PVS (as is required for all sanctioned meets) the Meet Manager Backup File. This will allow the splash fees, that would have otherwise been assessed, to be calculated and notated as charitable contributions.
- The host club must provide written acknowledgement from the charity of the amount donated. This donation should be no less than the total splash fees that would have otherwise been assessed in order for the waiver to be granted. In the event that a copy of the written acknowledgement is not submitted to PVS' General Chair and the LSC Services Manager within 60 days of the completion of the meet, splash fees will be due.

PVS equipment rental fees will be waived under the same conditions as waiver of sanction fees for charity meets.

NON-SANCTIONED AND UNAPPROVED EVENTS

Any USA Swimming/PVS member club that participates in competition where the athletes are representing their USA Swimming/PVS club without a USA Swimming/PVS sanction can lead to serious consequences for USA Swimming members. Per the USA Swimming Code of Conduct, members (coach, athlete, official, volunteer, etc.) may be denied membership, censured, placed on probation, suspended, fined, or expelled from USA Swimming for life if they violate the code or aid in violations. PVS member clubs participating in competitions without a USAS/PVS sanction, shall be fined the sum of five hundred (\$500.00) dollars and no further applications for any PVS program shall be accepted from that club until the said fine has been paid. *Such fines will be deposited in the PVS Operating Fund with ½ of all fees going to the USA Swimming Foundation.* Any subsequent violation of this policy by a member

club shall also result in a denial of future sanction/approval requests for a period of one year from the date of the violation and they will be reported to USA Swimming as a club not in good standing. Any PVS official who conducts, or participates in the conduct of, non-sanctioned USA Swimming competition shall be subject to suspension or revocation procedures. Conducting and/or participating in competitions without a USAS or PVS sanction invalidates the USA Swimming liability insurance and those participating in these events may be exposed to additional risks and liabilities. (10/25)

SANCTION AND APPROVAL OF COMPETITION

PVS-SPONSORED MEETS

PVS will provide a competitive program for its member clubs and athletes through a series of meets sponsored by PVS. The PVS-sponsored meets will consist of a series of competitions designed to meet the needs of the swimmers in PVS. The PVS-sponsored competitive program will be supplemented by other competitions that are hosted by the member clubs of PVS. These PVS-sponsored meets will include:

- PVS Distance Meets
- PVS Open Meets

The PVS Competition Committee will develop the PVS-sponsored schedule of competitions as follows:

- The schedule for the following season (September 1 to August 31) will be developed prior to and approved at the preceding Fall meeting.
- Bids for the upcoming seasons' meets will be taken prior to the subsequent winter meeting
- The terms, initials, or phrase "Potomac Valley Swimming", "PVS", or "PVS Championship" may only be used in connection with competition that is sponsored by PVS.

The Competition Division shall determine whether a substantive change has been made. Requests to make substantial changes to the previously sanctioned meet should be referred to the Age Group Chair and Senior Chair (as appropriate) for approval. They will also determine if the requested change is so material that it should be referred to the Board for formal action.

In order for a proposed meet to be placed on the PVS schedule it must comply with the following provisions:

- Only USA Swimming clubs can participate in the meet.
- All competing athletes must be registered with USA Swimming.
- The competition is conducted in accordance with the applicable rules and regulations of USA Swimming and PVS.
- A certified Meet Referee and a certified Administrative Official/Administrative Referee are present throughout the competition and will attest that it was conducted as specified above.

A Club Sponsored Meet can conflict with other meets. However, no meet can conflict with the following PVS meets:

- For PVS Open or Distance Meets, PVS will have the first right to secure pool space
- Any PVS Championship meet (both Short and Long Course)
- If a request for a sanction for Club Sponsored meet is received after the appropriate deadline, and there is already an approved sanction for another Club Sponsored meet, the Board may grant approval only if the requester demonstrates:

- the requested meet will not be in direct competition and/or conflict with the existing meet, or the
- the Meet Director for the existing meet concurs with the additional meet request.
- In addition, all appropriate sanctioning requirements must be met.

Dual and tri meets between USA Swimming clubs and intra-squad meets of USA Swimming clubs will receive automatic sanction by the PVS Sanctioning Officer if all of the above criteria are met, the request is received by the PVS Administrative Office on the prescribed forms at least five (5) days before the meet, and the proposed meet does not conflict with any PVS scheduled meet for the equivalent age or level of ability. Results of these meets must be sent to PVS per the Meet Reporting Requirements.

CHAMPIONSHIP-LEVEL MEETS OF NON-USA SWIMMING ORGANIZATIONS

Requests for Approval of championship-level meets by non-USA Swimming sponsored organizations must be filed at least thirty (30) days in advance of the scheduled competition on the forms provided by PVS and found under documents on the PVS website. They then must comply with conditions outlined in the application. A meet announcement must be submitted with the application.

The PVS Administrative Office will provide applications. Completed applications shall be returned to the PVS Administrative Office. The Administrative Office will inform the applicant of approval or denial w/in ? period of submission. A sanction/approval fee of \$100 or up to \$0.75 per splash will be imposed for Approved meets, as decided by the PVS Board of Directors. There is no fee for Observed meets.

Sanction fees are not charged for swim offs or swimming finals of prelims & finals events. The PVS Board of Directors may deny the application when the requested meet conflicts with scheduled Potomac Valley competition. Procedure for sanctions with meets subject to VSI treaty. A single sanction will be issued by the LSC governing the territory in which the meet is held. Preliminary approval however is required of the sanctioning officer of the LSC originating the meet sanction request. The latter is to ensure PVS requirements are met for meets conducted in another LSC's territory.

It is important to note that verification of times for record or qualification purposes is contingent upon receipt of an official copy of the meet results by the Administrative Office and receipt and review of the Referee's affidavit.

High School Observed Meets:

When a High School meet is scheduled to occur in PVS'territory, Potomac Valley Swimming will normally agree to observe the meet where athletes from each school can achieve qualifying times as part of their high school championship season. Therefore, any of the High School championship meets will be

observed. Normally these will be the State Championship meets in both Virginia and Maryland as well as District & Regional meets.

A similar approach will be applied to determining which private school championship meets will be considered for observation.

The meet must also satisfy the following requirements to be observed, which includes having a sufficient number of certified USA Swimming meet officials, having applied for the meet to be observed x days prior to the meet start, etc.

VERIFICATION OF ATHLETE REGISTRATION

No deck registration of athletes is permitted at PVS sanctioned meets.

Deck entries at PVS sanctioned meets must be accompanied by proof of current USA Swimming registration.

Meet Reconciliation for any PVS sanctioned meet shall be conducted as follows:

- The PVS Administrative Office will run a pre-Meet Reconciliation on the submitted file and contact all clubs via email with a list of all athletes entered in the meet from their team who are not registered PVS athletes. These emails shall be sent by the close of business on the deadline days specified above. The teams must register all athletes before the start of the meet.
- The PVS Administrative Office will run a Meet Reconciliation after the meet has occurred and notify any club who allowed an unregistered athlete to swim.
- Instances of failure to register an athlete within the above timeframe will be reported to the Board of Directors for their action. At the sole discretion of the Board, a club failing to register an athlete as described herein may be subject to a \$100 per athlete fine.

VERIFICATION OF ENTRY TIME

All meet entry times are subject to verification. Athletes not achieving the event qualifying time may be asked to prove their entry time to the meet director prior to the end of the meet. If they are unable to do so, the Club will incur a \$100.00 penalty fee per occurrence, and no further entries nor applications for any Potomac Valley Swimming program will be accepted from that Club until the said fine has been paid. Official meet results from sanctioned or approved USA Swimming meets are the only acceptable proof of time. Fines will be deposited in the PVS Operating Fund.

For any 12 & U session (Club or PVS sponsored meet) that is planned in excess of 4 hours and 15 minutes, a copy of the timeline (meet back up) will be sent to the Technical Committee so they can work with the meet host to bring the timeline under 4 hours; this information will be due to ? one week prior to the start of the meet.

Any timeline that is submitted for the Technical Committee's review and/or posted on the PVS website must conform to the following standards:

The Technical Committee will have final say in all PVS or Club meets where the pre-meet timeline is in excess of 4 hours and 15 minutes.

NO PVS TEAM IS GUARANTEED A LOCATION UNTIL ALL ENTRIES FOR ALL SITES ARE RECEIVED AND BALANCED. Meet entries are due 14 days prior to the start date of the meet. (This will be the Thursday prior to the current due date of Tuesday)

The due date for Meet Managers to submit meet back-up files to the LSC Service Manager will be the following day by noon.

The LSC Service Manager will process all site back-up files and reassign teams to venues (if necessary) within 2-4 days.

The LSC Service Manager will then inform clubs within 72 hours if they have been reassigned.

The LSC Service Manager will instruct the Club and Meet Director on how to handle any changes.

Any club that has been reassigned to a new venue, that causes the club to cross the river, will have the option to remove swimmers from the meet that are negatively impacted by the change in location. The Club will have until Wednesday at midnight to re-submit their team entry to Admin.

If more than 5 swimmers are removed from the meet, a new entry file must be sent to the Meet Director no later than Wednesday at midnight. No new entries will be accepted from this club, or any other club.

Clubs not affected by a venue change may not modify their entries.

PVS WARM-UP POLICY

PVS endorses two specific warm-up formats:

- Assigned warm-ups
- Open warm-ups

ASSIGNED WARM-UPS

- Warm-ups where teams are assigned to specific lanes, for specified periods of time, in proportion to the number of their entries. The Assigned warm-up format is the preferred format and it will be used whenever the meet conditions permit.
- During ASSIGNED warm-ups, each team may conduct their own warm-up routine provided that a team certified USA Swimming coach is stationed at the starting block of each lane assigned to the team, and that coach assumes the duties of a Marshal in supervising the warm-up in that lane.

OPEN WARM-UPS

- Warm-ups where there are no team lane assignments but rather lanes are designated for a specific activity for a specified period of time.
- The appointed marshals shall supervise all warm-up periods. Coaches shall not permit their athletes to enter the pool until the marshals/officials have declared the pool open for warm-ups. No entry is permitted across lanes, from the poolside, or from the non-start end of the pool, under any circumstances.
- Marshals/officials shall clear the lane of all swimmers before opening the lane for sprinting. All sprint lanes are one-way only and the swimmers must exit at the opposite end of the pool.
- When separate warm-up facilities are in use, they must be controlled in the same manner as outlined above.
- During OPEN warm-ups, periods are divided equally between general and specific programs. The first half of the warm-up will be dedicated to general warm-up and the last half of the warm-up will be dedicated to specific warm-up. During the general warm-up, no pace work or sprinting will be permitted. During the specific warm-up, the outside lanes will be designated as pace lanes and lanes 2 & 7 of an eight-lane pool, 2 & 5 of a six-lane pool, etc. will be opened for sprinting in accordance with the procedures outlined above.
- The use of kickboards, hand paddles, and similar training devices, are not permitted in open warm-ups.

The meet director or referee may modify the schedule or lane assignments depending on the pool configuration, the number of swimmers, the availability of separate warm-up facilities, etc., as long as USA Swimming's and PVS' safety considerations and equitable treatment of all competitors is not compromised. All such changes must be announced and posted throughout the meet venue. Athletes who intentionally act in a manner that is unsafe to themselves or others will be disqualified from their next event.

CAMERAS ON DECK

In compliance with USA Swimming Rules and Regulations, the use of audio or visual recording devices, including a cell phone is not permitted in the changing areas, rest rooms or locker rooms. In compliance with PVS policy, the use of equipment capable of taking pictures and/or videos of athletes while they are on the blocks or exiting the pool (e.g. cell phones, cameras, etc.) is strictly prohibited. At PVS Sponsored Championship meets or Championship style meets, that are prelim/finals hosted within the PVS, pre-approved and credentialed media personnel would be permitted to take pictures and/or videos of athletes after they have entered the pool and before exiting the pool deck as long as they have completed Athlete Protection Training and successfully completed a background check.

PVS Finance Division

INVESTMENT COMMITTEE

The Audit Committee shall be authorized to, and it shall be its duty to, conduct the biennial audit and accounting review of the PVS books or to have such audit performed by an independent auditor, pursuant to Section 8.5. BUDGET FORMULATION

The Potomac Valley Swimming budget is approved by the House of Delegates at the annual meeting in May. This budget is for the period which begins September 1 and ends August 31.

In January, the Finance Vice chair requests all budget/account owners to review their programs, confer with their committees, and prepare a statement of their needs for the next fiscal year. This is also the time that the House of Delegates representatives should provide any budget proposals they wish to make.

All proposals for the new budget must be submitted to the Finance Vice Chair by the February Board of Directors meeting in order to be considered. If a new program is being proposed, full documentation; including, a statement of why the program should be funded, a detailed breakdown of program cost, and the proposed method of funding, is required.

Any current program which requests a significant change in funding must present full documentation; including, a statement of why the program should be funded, a detailed breakdown of program cost, and the proposed method of funding, is required.

The Treasurer constructs the proposed annual budget for presentation to the Board of Directors based upon a review of actual operating expenses and program adjustments proposed by the Finance ViceChair, Board members, and House of Delegate representatives.

In April, the proposed budget is presented to the Board members for their review. Except for emergency items, no new proposals are accepted once the proposed budget is presented to the Board for their review.

At their April meeting, the Board of Directors formally adopts a recommended budget to be presented to the House of Delegates for approval at the annual May meeting.

The Board of Directors affirms its long-standing policy of maintaining a reserve operating fund equal to one year of operating expenses. The reserve operating fund is calculated net of dues payments to USA Swimming and shall not drop below a ratio of .65 or exceed a ratio of 1.00 of the annual operating expenses. (05/17)

Notes: The accrual method of accounting has been adopted for monthly and annual financial reports as well as budgets. The latter is effective for the 2008-2009 and all future budgets.

DELINQUENT INVOICES

PVS issued invoices are expected to be paid within 30 days. At the beginning of every month the PVS Treasurer will send a statement to all clubs with invoices outstanding 30 days or longer. At the bottom of the statement will appear notice that invoices 61 days or more past due are deemed delinquent and subject to a 10% surcharge.

After 60 days the invoice is deemed “delinquent.” The club then incurs a 10% surcharge on the outstanding amount and a separate invoice for the surcharge will be issued.

If the invoice has not been paid by 30 days following delinquency (or 90 days from date of original invoice issuance), then the club’s right to participate in PVS-sanctioned meets would be immediately suspended until all invoices outstanding 31 days or longer are paid. The Treasurer would notify the General Chair and the Vice-Chair for Finance of the 90-day violation. The General Chair would then notify the club contact of the suspension.

The Treasurer would also notify the Registrar of the club’s suspension so the Registrar could flag any suspended club’s swimmers signed up for a PVS-sanctioned meet as part of the normal premeet administration. The Treasurer would also notify the General Chair, the Vice-Chair for Finance, and the Registrar once the indicated invoices have been paid.

FINANCIAL SEPARATION OF DUTIES

PVS' operating premise is that no one person is allowed complete control over a transaction and there is a separation of duties requiring at least two people's involvement in any processing which includes the review, approval and cash/check handling for each transaction. The process is as follows: account holder reviews invoice and approves/disapproves, if approved it is sent to Finance Vice Chair requesting payment, the Finance Vice Chair then sends to Treasurer and requests reimbursement/invoice payment, Treasurer then processes and issues check. Check signing authority is vested in persons at appropriate levels of PVS. These positions are: the General Chair, the Finance Vice Chair, and the Treasurer. All check signers are limited to signing checks for reimbursements and/or expenditures that have been approved by a secondary authority (someone other than themselves). Also, there is never an instance permitted for writing and signing a check to oneself.

PVS INVESTMENT POLICY

POTOMAC VALLEY SWIMMING, INC. (PVS) INVESTMENT POLICY STATEMENT (03/07)

This statement of investment policy has been adopted by the Board of Directors of Potomac Valley Swimming, Inc. to provide instructions regarding investments held by the Corporation. This policy statement assumes that PVS maintains a system of internal controls sufficient to safeguard assets against fraud and malfeasance and to monitor compliance with this policy. This policy may only be modified by formal action of the Board of Directors in response to changes in the business environment in which PVS operates and/or external economic conditions.

THE FOLLOWING DEFINITIONS IDENTIFY THE TYPES OF FUNDS HELD BY PVS:

General Operating Funds or Checking Account (GOA):

Funds in the GOA are checking account funds to cover cash needs for the next 10 days. All checks issued by PVS are issued from this account. As such, the balance in this account should not exceed short-term cash needs plus a \$30,000 cash cushion.

Restricted Operating Funds or Money Market Deposit Accounts (ROA):

Funds in the ROA are unrestricted operating funds invested in one or more money market deposit accounts. All receipts of PVS shall be deposited to these accounts. These accounts are used to fund the GOA account through electronic funds transfers. No checks are written against these accounts. Funds in these accounts are held to provide sufficient liquidity to meet current business cycle expenses. While the balance allowed to be maintained in these accounts is not specified in this policy, the Board of Directors should formally review the balances on a quarterly

basis to insure (1) adequate liquidity to meet short term cash requirements and (2) insure that funds in excess of short term needs are invested in CDs or mutual funds.

Certificates of Deposit (CDs):

Funds invested in CDs are unrestricted operating funds invested in CDs of various maturities and maturity dates. Such funds shall normally attain a higher rate of return upon issuance than is then available from money market deposit accounts.

Mutual Funds:

Funds invested in mutual funds are unrestricted operating funds that are invested for a longer period of time in an attempt to attain a higher return than is available through CDs or money market deposit accounts.

INVESTMENT OBJECTIVES

1. *Liquidity:* Maintain sufficient liquidity to meet expected operating requirements and provide an appropriate reserve for unexpected needs.
2. *Preservation of Capital and Purchasing Power:* Invest funds prudently so as to ensure a high probability of preserving capital while balancing this objective with the need to protect against buying power erosion caused by inflation.
3. *Asset Performance:* Attain an annual return of 3% on portfolio assets. (5/19)

INVESTMENT GUIDELINES

1. **General Operating Funds or Checking Accounts (GOA):** Allowable investments include U.S. federally insured bank and savings and loan institutions. While it is permissible to maintain an average balance in excess of the federally insured maximum of \$100,000 in a single institution, only funds needed to satisfy the immediate short-term 10-day cash requirements should be invested here.
2. **Restricted Operating Funds or Money Market Deposit Accounts (ROA):** Allowable investments include U.S. federally insured money market deposit accounts at federally insured bank and savings and loan institutions. While it is permissible to maintain an average daily balance in excess of the federally insured maximum of \$100,000 consideration should be given to spreading funds among several different institutions in order to minimize exposure to bank failure.
3. **Certificates of Deposit (CDs):** Allowable investments include U.S. federally insured certificates of deposit at federally insured bank and savings and loan institutions. The maximum initial deposit in any single CD is \$100,000. While it is permissible to purchase multiple CDs at a single

institution, consideration should be given to spreading funds among several different institutions in order to minimize risk of bank failure. CDs should be purchased in varying lengths to stagger maturities and maturity dates. In no event may a CDs term be greater than five years.

4. **Mutual Funds:** Allowable investments include mutual funds that invest in both U.S. and international equities, bonds and money market instruments. Funds invested in mutual funds should be viewed as long term investments (at least 5 - 10 years) intended to ensure real growth of capital to meet future needs. Mutual fund investments should utilize an asset allocation model that results in exposure to a broad spectrum of the overall equity market sectors and both U.S. Treasury and Corporate bond funds. No more than 30% of funds invested in mutual funds may be devoted to a single market sector. A practice of mirroring USA Swimming's investment portfolio allocation for similar investment objectives is an appropriate, but not required strategy.

FUND ALLOCATION GUIDELINES

1. **General Operating Funds or Checking Accounts (GOA):** 10 days operating expenses plus \$30,000.
2. **Restricted Operating Funds or Money Market Deposit Accounts (ROA):** Sufficient assets to meet the business cycle liquidity needs of PVS. It is periodically reviewed and determined by the Board of Directors.
3. **Mutual Funds:** May invest up to 25% of funds provided the needs of the GOA and ROA are fully satisfied.
4. **Certificates of Deposit (CDs):** All funds not invested elsewhere shall be invested in CDs of varying maturities. No single CD upon issuance may exceed \$100,000 or five years in length.

PROHIBITED ACTIVITIES

1. Loans to any PVS individual member or PVS club.
2. Opening of bank accounts or investing funds without Board of Director approval.
3. Granting credit or making loans to any party without approval of the Board of Directors.
4. Allowing access to more than 20% of PVS funds by a single individual.
5. Trading in individual equity or bond securities.
6. Credit card cash advances (this feature is deactivated).
7. Writing and signing a check to oneself.

PVS OPERATIONS DIVISION

DISABILITY SWIMMING COORDINATOR

The Disability Swimming Coordinator works with athletes, coaches, officials, meet hosts, and volunteers to facilitate and encourage disability swimming within the LSC. The Coordinator serves as a resource to assist clubs and Meet Directors in supporting accessibility, reasonable accommodations, and inclusive participation in PVS-sanctioned activities, consistent with USA Swimming and PVS policies.

DISABILITY PROVISIONS

Potomac Valley Swimming (PVS), in association with USA Swimming, is committed to provide an environment for swimmers with a disability to participate with clubs and to compete in PVS sanctioned meets

USA SWIMMING STANDARDS

In compliance with USA Swimming Rules and Regulations, PVS desires to accommodate swimmers with a disability as defined by USA swimming. A disability is defined as a permanent physical or cognitive impairment that substantially limits one or more major life activities.

PVS SPECIAL ADMINISTRATIVE STANDARDS

PVS welcomes all swimmers with a disability who wish to participate in PVS sanctioned meets. Disabilities encompass the following major areas:

- Hearing impairment
- Visual impairment
- Cognitive disabilities such as intellectual disabilities, learning disabilities, or autism
- Physical disabilities such as amputations, cerebral palsy, dwarfism, spinal injury, or other mobility impairments

All PVS member clubs are encouraged to include swimmers with a disability and are encouraged to make common-sense adjustments to their venues to accommodate the needs of athletes with a disability. Accommodations during practices should be up to the discretion of the head coach. Examples of such accommodations are:

- Allowing helpers as needed for the disabled swimmer.
- Including the disabled swimmer in practices by the swimmer's ability rather than age.

- The coach of the practice group should have the same expectations of the swimmer with a disability as the other swimmers in that group with respect to effort, attendance, and other aspects of work ethic.
- The same principles of training/conditioning, biomechanics, and sport psychology apply to the swimmers with a disability as the other athletes. Most coaches are expert at modifying practices to accommodate individual needs such as with shoulder injuries.

Accommodations may be made to include swimmers with a disability in PVS sanctioned meets. This policy applies only to swimmers with permanent disabilities as defined above by USA Swimming as "a permanent physical or cognitive impairment that substantially limits one or more major life activities."

In the regular season meets, disabled swimmers need not have achieved the qualifying time standards. The meet director, working with the coach of the disabled swimmer to ensure that no undue focus is placed on the swimmer during the meet, shall have the authority to accommodate the swimmer without substantial negative impact on the meet timeline. Examples of such accommodations are:

- Allow the disabled swimmer to compete at a shorter distance, e.g. a 50 yard distance within a 100 yard event.
- Seed the disabled swimmer by time rather than age; e.g., a 13-year-old disabled swimmer could be seeded in the 11-12 age group of the same event.

In championship level meets, swimmers with a disability may enter with the permission of the Meet Director and Senior or Age Group Chair. Accommodations as described above (or others, as recommended by the Adapted Swimming Committee based upon the specific disability) may be made by the Meet Referee.

Places and awards for disabled swimmers can only be earned in the swimmer's actual event and/or age group. At the discretion of the meet host special awards may be given to disabled swimmers.

The following statement shall be included on all meet announcements receiving a sanction from PVS

PVS and host clubs, along with Meet Directors and Meet Referees, are committed to the Inclusion Policy as adopted by the BOD. The swimmer or the swimmer's coach is responsible for notifying the Referee, prior to competition, of any swimmer with a disability and of the requested accommodations and/or modifications. It is preferable that this notice be provided on the Accommodations/Modifications form on USA Swimming website [Accommodations Modification form](#)

ATHLETE CONDUCT

Athletes participating in PVS-sanctioned competitions are expected to demonstrate respect, integrity, and sportsmanship in accordance with **USA Swimming's Code of Conduct** and the **PVS Code of Conduct**. PVS

recognizes that all athletes, including athletes with disabilities, have the right to participate fully and fairly in competition.

Athletes are responsible for any damage they cause to facilities. Athletes should expect to be disciplined and will be required to pay for damages. PVS subscribes to the policy that there are no innocent bystanders. If you observe anyone engaged in mischievous or inappropriate behavior, your responsibility is to leave the scene immediately; if you are present, you are considered complicit.

The Meet Director, through the Referee, may have an offending athlete disqualified from events and/or barred from the facility. If the infraction is serious, it may be referred to the PVS Board of Directors for further action. Penalties in such cases may involve significant disciplinary measures, including suspension or expulsion from USA Swimming and/or endorsement of legal action.

Misconduct includes, but is not limited to:

- Violation of the safety guidelines outlined in the meet announcement
- Disrespectful behavior toward meet management personnel, officials, coaches, volunteers, or fellow athletes
- Stealing, destroying, vandalizing, or possessing the property of others
- Possession or use of alcoholic beverages, tobacco products, or illegal drugs

Athletes are also responsible for knowing and complying with **Potomac Valley Swimming safety policies** and **facility safety rules**. These rules exist for athlete protection. Athletes who disregard these rules or act in a manner that is injurious to themselves or others may be disqualified by the Referee from their next scheduled event or asked to leave the facility. Failure to leave immediately may result in removal for the remainder of the meet and referral to the PVS Board of Directors for further action.

CONDUCT OF TIME TRIALS

It is the policy of PVS to sanction time trials when they are:

- included in the meet announcement as an integral part of the meet, or
- when they are processed through the sanctioning process far enough in advance that any member club that desires to participate may have the opportunity to do so.

A minimum of two weeks advance notice to each club is required.

When conducted as part of the meet, time trials are held after finals and/ or between the preliminary and finals sessions (as indicated in the meet announcement).

Time trials are only for those athletes entered in the meet and are swum in the following order: those events contested that day, followed by those events remaining to be contested, followed by those events already contested. Athletes will be permitted one time trial per time trial session scheduled provided that this does not cause them to exceed the daily event participation limitations.

The fee for any or all events offered in a time trial will be set by the PVS BOD prior to each competition season. For PVS sponsored meets, half of the fee for time trials is deposited in the PVS Operating Fund.

DECK ENTRIES

Any entry received after the entry deadline for a PVS-sponsored meet will be accepted only upon payment of a deck entry fee for each individual entry. For PVS sponsored meet these fees will be divided evenly between the club conducting the meet and the PVS Operating Fund. Otherwise, PVS is reimbursed at the rate for a club sponsored meet.

Meet directors have the discretion to not accept deck entries in the event the meet is over-subscribed or the deck entry will adversely affect the timeline. Meet directors are responsible for enforcing the deck entry fee and receiving payment before allowing an athlete to swim. Swimmers must provide proof of USA Swimming registration for the deck entry to be accepted. These deck entrants cannot place, score points (mini meets excepted), or cause an event to be re-seeded. No deck entries are accepted for distance or championship (scored) meets. An athlete already entered in the meet may not scratch an event in order to deck enter another.

For pre-seeded events, an athlete submitting a deck entry will be added to the event and placed in the computer as a deck entry. The athlete will be placed wherever possible without re-seeding the event (i.e., a known absentee lane in an appropriate heat or an empty lane in the first or second heat). New heats can be created for deck entries only if necessary and at the meet director's discretion. If the swimmer cannot be seeded into the event, the deck entry fee is refunded.

For events that require a positive check-in, an athlete submitting a deck entry will be seeded with a no time (NT) following the seeding of the positive check-in event.

No new heats will be created for deck entries. If no empty lanes are available and the swimmer cannot be seeded into the event, the deck entry fee is refunded.

DISTANCE COORDINATOR

The Distance Coordinator is responsible for planning and conducting the PVS distance program, which includes the PVS Distance meets.

EMERGENCY HEARING

As part of the formal review process, USA Swimming rules and PVS bylaws provide for emergency hearings to be conducted at a meet to address appeals of administrative decisions that impact that event.

The referee may appoint a meet jury of not fewer than three nor more than five disinterested persons - at least one of whom is a coach and one an athlete - to consider written appeals of time-critical administrative decisions made at the meet.

Decisions made at these emergency hearings are subject to formal review at the request of any of the interested parties. Therefore, decisions should be rendered in writing and forwarded to the Administrative office as soon after the meet as practical.

Rulings of the Referee regarding the technical judgment of deck officials are final and are not part of the Emergency Hearing process.

EQUIPMENT COORDINATOR

The PVS Equipment Coordinator is responsible for the maintenance, repair, and distribution of electronic timing equipment.

FINES FOR CLUBS WITH INSUFFICIENT CERTIFIED OFFICIALS

REGISTRATION AND PARTICIPATION REQUIREMENTS

Teams with 1-25 Swimmers	No Requirement
Teams with 26-50 Swimmers	1 Official
Teams with 51-75 Swimmers	2 Officials
Teams with 76-100 Swimmers	3 Officials
Per each additional 30 swimmers (or portion of 30)	1 official

PENALTIES

For each official that a team is short \$200

An assessment of whether a club has the required number of officials to avoid a fine is to be made August 1 of each year by the Vice Chair-Finance working with the Registrar. The Vice-Chair Finance will then notify teams affected and the Treasurer will invoice them accordingly. For purposes of applying this test, only athletes with premium USA Swimming registrations shall be counted. Excluded from the computation are swimmers with "flex" or "seasonal" memberships, and those representing a school or its affiliated club who have participated in NCAA competition during the current year.

A club may request a \$200 reduction in the fine for each volunteer who is not a certified official but who has completed the computer operator training program or the electronic timing system training program (including evaluation) during the year OR who has worked as a CO or TO at least 3 sessions per year.

Notes: At the 2007 Annual PVS House of Delegates meeting on May 23, 2007 the policy was modified to reflect the above fine determination and assessment as of May 1, 2008.

INCLEMENT WEATHER

PVS will make every attempt to conduct activities as they are scheduled. However, if the scheduled facility decides to close, our activities are also canceled. For PVS sponsored events, if the facility remains open during inclement weather and there is some doubt that it is safe to conduct the scheduled activity, the Operations Chair in consultation with the appropriate Meet Director and the Competition Committee Chair, will decide whether to cancel, postpone, or delay the start of the event.

This information will be placed on the PVS website, the host club's answering machine or website (when possible), the facility's answering machine (when possible), sent via email, and otherwise disseminated as soon as possible.

For club sponsored events open to other PVS athletes, the Meet Director will make the decision whether to cancel, postpone or delay the start of the event. PVS (if notified) will assist in publicizing the decision via the PVS website.

INTEGRITY OF ENTRIES

Any Club that enters an unregistered athlete, falsifies an entry in any way, or permits an unregistered coach to represent them in any PVS program, will be fined the sum of one-hundred dollars (\$100.00) per occurrence and no further entries or applications for any PVS program will be accepted from that Club until the said fine has been paid. Any such fines will be deposited in the PVS Operating Fund.

MEET ANNOUNCEMENT GENERATION

Meet announcements must follow the sanction process (see *Sanction and Approval of Competition*). Following a review, the club will be advised of approval or of necessary changes required to achieve approval.

All meet announcements **must include** the following:

- **Publication of Results**

Potomac Valley Swimming (PVS) publishes official meet results, excluding athlete birthdates, on its public website as part of its standard meet operations. Submission of meet entries signifies acknowledgment and consent to this practice. PVS is not responsible for the use or redistribution of publicly available meet results by third-party organizations or applications that compile swimming data for rankings, recruitment, or goal development purposes. (10/25)

- Wording requesting that each participating club send one table worker or official if it entered 25 or more splashes. (6/07)

- Identification of the **Referee Responsible for the Meet**. A certified PVS Meet Referee, or a Referee certified by another LSC or who has served as a Meet Referee at an LSC Championship or higher-level meet, must be identified for club-hosted meets.
- Identification of the type of timing equipment being used, using one of the following statements:
 - a. Automatic timing (touch pads primary) will be used for this meet.
 - b. Semi-Automatic timing (buttons primary) will be used for this meet.
 - c. Manual timing (stopwatches only) will be used for this meet.

MEET DIRECTORS

All Meet Directors who conduct PVS sanctioned meets must be certified by Potomac Valley Swimming. Certification requires completion of a one-day clinic covering pre-meet preparation, meet operations, staffing, technical requirements, and post-meet reporting.

The PVS Administrative Office may grant exemptions to Meet Directors who have demonstrated proficiency through the successful conduct of prior sanctioned meets.

MEET ENTRY FEES

Meet entry fees for PVS meets will be due upon receipt of a PVS invoice for splashes upon completion of each meet. Any club that is delinquent in payment of invoices may be subject to a \$100.00 penalty fee and restricted from any further participation in PVS programs until the past-due entry fees and the penalty fees have been paid.

MEET ENTRY PROCEDURES

Each club has its own procedures for processing and submitting meet entries to the meet director. These procedures must be outlined in the meet announcement. Athletes must enter PVS meets through their respective clubs. Only unattached athletes may enter individually.

There are several general principles that apply to all meet entries. The meet announcement will specify which entry form is to be used: PVS Master Entry Sheet, or computer generated file.

Clubs submitting entries for more than ten (10) athletes for a PVS-sponsored meet are required to submit an electronic entry file. Failure to do so will result in a \$1.00 fee per swimmer entered.

Supporting documents (master entry sheet or computer reports by name and event) must be provided and may be provided via email. The computer-generated file provided is presumed to be correct. The supporting documents will be used if there are problems encountered working with the computer-generated file.

PVS CHAMPIONSHIP MEET SPECTATOR FEE

A spectator fee of \$5 per individual session or \$20 for All-sessions may be charged to all non-athlete spectators at PVS Championship meets: PVS SC Open Championships, 14 & Under SC Championships, LC Open Championships, 14 & Under LC Championships. The fees collected will be split 50/50 between PVS and the host team at the conclusion of the meet. The host will report spectator fees collected on the Meet Director's report. PVS will reduce meet fees paid to the host by 50% of the spectator fees collected.

MEET PROGRAM GENERATION

The price of meet programs for PVS-sponsored meets shall not exceed \$2.00 per session. However, for PVS Open meets, it shall not exceed \$1.00 for an abbreviated Friday evening session and shall not exceed \$2.00 for full sessions on Saturday and Sunday.

Clubs may elect to generate the meet program and retain the proceeds. In these cases, the club will pay the costs to cover the reproduction and distribution of results.

Heat sheets and programs for any PVS sponsored meet may contain no information other than event and heat specific information. This does not preclude including meet identifying information (Meet Name, Location, Date, Sanction Number, course length, etc.)

Heat sheets and programs for any PVS sponsored meet may contain advertisements solicited by the host club. If advertisements are included in PVS heat sheets/meet programs, PVS will NOT pay for program reproduction. Reimbursement of reproduction costs is only available for coaches and officials programs if NO advertising is included in those heat sheets.

Advertisements solicited for program/heat sheet publication must not contain content that may be reasonably considered offensive or threatening. Offensive material includes, but is not limited to, pornography, sexual comments, jokes or images, racial slurs, gender-specific comments, or any comments, jokes or images that would offend someone on the basis of his or her race, color, creed, sex, age, national origin, or ancestry, physical or mental disability, veteran status, as well as any other category protected by federal, state or local laws. Advertisements of alcohol and tobacco products or businesses that expressly purvey said products are forbidden.

Clubs found in violation of this standard by PVS will be prohibited from hosting any PVS sponsored meet for the period of one (1) calendar year from the final date of the meet where said violation occurred.

Advertisements actively recruiting attached members of other attending clubs to the host club or denigrating other participating teams is strictly forbidden. No USA member club shall be allowed to place an advertisement in any meet program.

MEET REPORTING REQUIREMENTS

The meet director for all non-PVS sponsored meets conducted in PVS must submit the meet director's financial and entry reports on the provided prescribed forms, within ten (10) working days of the final day of competition to avoid the \$50.00 late filing penalty.

For all PVS sanctioned meets (including observed and approved meets), the meet director shall provide the results in an approved electronic format to the PVS Webmaster, PVS Finance Vice Chair and the PVS Administrative Office no later than three (3) working days following the conclusion of the meet. The results will be provided as a Meet Manager Backup file sent to results@pvswim.org.

MINIMUM NUMBER OF OFFICIALS EXPECTED AT MEETS.

Except at Distance meets, it is the expectation of the PVS Board of Directors that all PVS sanctioned meets be conducted with no less than 5 certified deck Officials (Referee, Administrative Referee or Administrative Referee, Starter, 2 Stroke & Turn Judges), as well as sufficient table workers and the required number of Timers, which depends upon the timing equipment being used.

OFFICIALS COMMITTEE

The Officials Committee is authorized and obligated to recruit, train, test, certify, evaluate, retest, recertify, and supervise officials for PVS. The Officials Chair, appointed by the General Chair with the approval of the Board of Directors, shall chair the Officials Committee. The Officials Chair shall be a referee certified by PVS and each member of the Officials Committee shall be a certified official of PVS, other than the athlete members of the committee who shall comprise at least 20% of the voting membership of the committee.

- The term of office for the Officials Chair and Committee members shall be 2 years.
- Each person appointed as either the Officials Chair or Committee Member shall assume office the date of their appointment.
- The Officials Chair shall be limited to two (2) consecutive terms. Committee members shall not be subject to term limitations.

OFFICIALS CERTIFICATION PROGRAM

The PVS Operations Division shall conduct a program to certify designated officiating positions that are needed to conduct PVS sanctioned or approved swim meets.

PVS will provide certification for: Referees, Administrative Officials, Chief Judges, Starters, and Stroke and Turn Judges.

The PVS Operations Division shall publish the requirements to become and remain an official in PVS. The standards required to become a PVS official are determined by the USA Swimming Board with recommendation from the National Officials Committee and Coaches Advisory Committee.

For those official positions for which USA Swimming has not created instructional clinics, the PVS Operations Division shall conduct at least twice a year the instructional clinics necessary to become or remain a certified official. That schedule shall be well publicized within the LSC, with clinics announced at least thirty days in advance of their occurrence. The division shall be responsible for obtaining appropriate training sites within the LSC and shall ensure the clinics are conducted by well qualified instructors. It is permissible for room rental fees to be incurred to conduct these clinics. If USA Swimming has created instructional clinics for a certified position, then those clinics must be used for certification or recertification.

Any individual may attend a PVS clinic; however, an individual may only serve as an apprentice at a meet if he/she has already met the prerequisite requirements to be eligible to attempt certification for that position. All prerequisite and certification requirements shall be published on the PVS website.

The PVS Officials Committee shall maintain a roster of all currently certified officials. This roster will be available on the PVS website, and will be updated on a regular basis. The committee also maintains, for at least two years, a list of all individuals attending PVS hosted clinics for the purpose of obtaining certification.

Officials serving at PVS sanctioned or approved meet shall not receive monetary compensation for their services.

The meet referee or club officials chairperson of the club sponsoring or hosting a PVS sponsored or approved meet (or in the case of a multi-site meet, hosting or sponsoring a designated venue) shall be responsible for ensuring the meet has sufficient qualified officials available except that the PVS Officials Committee shall assume responsibility for the staffing of the two Senior Championship meets, the PVS 14 & Under Championship meet, and any other PVS sponsored meet in which participating officials may obtain USA Swimming National Certification.

PVS shall make every reasonable attempt to conduct at least two meets per year at which officials may seek to achieve national certification.

OFFICIALS BACKGROUND SCREENING REIMBURSEMENT

All registered USA Swimming/ PVS officials are required to pass the USA Swimming Level 2 background screening. To be eligible for reimbursement of the background check fee, an official must work at least 6 sessions as a certified or apprentice official at PVS sanctioned meets, meets hosted by PVS Clubs outside the LSC, and/or Black History Invitational (as recorded in OTS) within a year of the background check. The reimbursement form is located in the Officials' section of the PVS website. (8-19-25)

- New officials or officials re-registering after a lapse in USA Swimming membership of at least one year must submit a request for reimbursement after completing the required 6 sessions and at least 15 days prior to the end of the fiscal year (which is August 31). If membership has lapsed more than a year, only the returning official reimbursement amount will be reimbursed.

(8-19-25)

- Returning officials must submit a request for reimbursement within 60 days of payment of background check and at least 15 days prior to the end of the fiscal year (which is August 31). If membership has lapsed for less than a year and the official is charged for a new background check, only the typical amount for a returning official will be reimbursed. (8-19-25)

OFFICIALS EDUCATION TRAVEL REIMBURSEMENT

The Officials National Meet Educational Stipend is intended to assist with an official's travel expenses to work national level competition. The Officials Committee Chair through the Operations Vice Chair shall recommend to the Board of Directors which meets shall be eligible for reimbursement during the following competitive year (September 1 to August 31). The meets may be recommended from amongst the following meets: World Aquatic Meets, USA Swimming National Meets, Eastern Zone Championship Meets, and US Paralympics National Meets.

An official may receive up to three (3) travel stipends in each competition year, a maximum of two (2) for meets at or above the USA Swimming 18&Under Spring Cup (1 ½ stars) level. A third travel stipend request must be from an Eastern Zone sponsored meet (Eastern Zones, Eastern Zone Speedo Sectional Championships). Officials' reimbursement will be distributed subject to the rules below. When the yearly allocation is exhausted no additional allocations will be made for meets held in that competition year

In order to receive travel assistance from PVS, an official must meet certain minimum eligibility requirements:

- The official must be registered with PVS for at least six months prior to the meet and be registered with USA Swimming through PVS as an official during the time of the meet for which they are requesting assistance.
- The official must work a minimum of four sessions at the event for which they are requesting travel assistance.
- The official must have worked at least twelve sessions at a minimum of four PVS sanctioned meets during the 12 months immediately preceding the request for reimbursement. Approved and Observed meets are not valid for these purposes.
- The official must notify the PVS Officials Chair of the intent to request a reimbursement upon acceptance to officiate at the designated meet, and prior to the date of the meet.
- Meets held within the geographical boundaries of PVS are not eligible for reimbursement.
- Officials who are eligible for reimbursement for expenses by the host club/LSC/Zone/USA Swimming/etc. are not eligible to submit a request for reimbursement to PVS for that meet.
- Completed PVS requests for travel assistance are due not later than thirty (30) days after the competition for which travel assistance is being requested and must be submitted prior to the end of the Fiscal Year (August 31).
- The standard travel reimbursement formula for national/international meets:
 - Base Amount: \$300 per meet
 - Plus: \$100 per day of the meet
- Zone/sectional meets will continue a maximum of \$500 per meet.

- To request a travel stipend, officials need to complete the PVS Officials' [Travel Stipend Application](#) and submit a [PVS Expense Report](#), listing the expenses incurred, to the Officials' Chair. Receipts for all expenses listed on the report are required. If driving to a meet, the standard IRS mileage rate for cars should be used, and only mileage from originating point to and from the meet location will be reimbursed. Food expenses are eligible as part of the stipend up to a maximum of \$70 per day (alcohol not included). The PVS Officials Committee Chair will certify that the Official is eligible and meets all requirements. The PVS Officials Committee Chair submits the names of those officials that meet all the eligibility requirements to the PVS Finance Vice Chair within ten days after the submission deadline for reimbursement. The Officials Committee Chair, through the Operations Vice Chair, will submit to the Board lists of any reimbursements approved since the last board meeting.
- The PVS Officials Committee Chair will notify any official not meeting the requirements. That official can then submit an appeal which will be heard by the PVS Board of Directors at the next meeting. The Board will vote on the appeal at that time.

Any PVS Official who has been invited to work at Olympic Trials will be awarded the same full share amount the Athletes are reimbursed. A recommendation from the Officials Committee Chair will also be requested from the Board to ensure the Official is in good standing with PVS.

The Operational Risk Coordinator shall develop safety education programs and policies for PVS and make recommendations regarding the same, and the implementation thereof, to the Operations Vice Chair and the Board of Directors. The Operational Risk Coordinator shall make the reports to the Board of Directors.

OPERATIONAL RISK COMMITTEE

The Operational Risk Committee is tasked with:

- Reducing the prospect of injury or loss to members of the LSC;
- Assisting members of the LSC in identification of errors, system failures, and other potentially dangerous activity;

- Providing assistance in developing plans to mitigate occurrences that disrupt LSC operations or events;
- Identifying trends that increase LSC operational risk.

The Operational Risk Chair shall serve as Chair of the Operational Risk Committee.

POSITIVE CHECK-IN

Positive check-in requires each swimmer to verify their presence and intent to swim each event they wish to swim. The swimmer is required to initial after their name on event sheets located on tables on the pool deck. After the check-in period is closed, each event is seeded and each swimmer will be assigned a heat and lane for their event.

Before the meet begins, alphabetical listings of all swimmers entered in each event in the session will be placed at an announced location on the deck. They will be placed in order of gender, age, and event. Prior to the announced event close time, each swimmer must initial beside their name to confirm that they will be swimming in the event(s) listed for them. Swimmers in more than one event should initial after their name for every event they intend to swim.

As an alternative, the meet director can elect to do positive check-in by team instead of event. Each team will receive a check-in sheet with all the swimmers and events for that session. The coaches will check-in/scratch their swimmers and return the check-in sheets to the computer operator by the deadline established. Only those swimmers who have been checked in will be seeded in that event.
(04/13)

At the time stated in the meet announcement for the event or group of events, the positive check-in for those events will be closed. The sign-in sheets will be collected and the event will then be seeded by computer. Only those swimmers who have signed in will be seeded in that event. If a swimmer arrives late or forgets to sign in, they may not be allowed to swim in that event.

After the events have been seeded, heat and lane assignments will be posted near the starting end of the pool, and possibly at other strategic locations. At the appropriate time swimmers should report to their assigned lane. It is the swimmer's responsibility to check-in and get to their assigned lane.

RECORDS COORDINATOR

The Records Coordinator maintains and monitors all LSC-level records and provides updates to the Webmaster in order to ensure that all records are available for LSC members to review and monitor.

REIMBURSEMENT OF LODGING EXPENSES FOR MEET REFEREE AT PVS OCTOBER, NOVEMBER AND JANUARY OPEN MEETS

The execution of PVS Open Meets requires the Meet Referee to be at the meet site prior to the time warm-ups commence and to remain after the last swim occurs for every session of the meet. Therefore,

it is appropriate that the lodging expenses of the Meet Referee are reimbursed by PVS when their home is not in close proximity to the meet site.

If the Meet Referee lives more than 40 minutes round trip travel time from the meet venue under normal driving conditions, the meet referee shall be reimbursed reasonable expenses for overnight lodging for no more than two nights for a three-day meet and one night for a two-day meet.

REIMBURSEMENT OF LODGING EXPENSES FOR MEET REFEREE, ADMINISTRATIVE REFEREE/OFFICIAL, HEAD STARTER, TEAM LEAD CHIEF JUDGE AT PVS CHAMPIONSHIP MEETS

The execution of PVS Championship Meets requires the Meet Referee, Administrative Referee/Official, Head Starter and Team Lead Chief Judge to be at the meet site prior to the time warm-ups commence and to remain after the last swim occurs for every session of the meet. Therefore, it is appropriate that the lodging expenses of the Meet Referee, Administrative Referee/Official, Head Starter and Team Lead Chief Judge are reimbursed by PVS when their home is not in close proximity to the meet site.

If the Meet Referee, Administrative Referee/Official, Head Starter and/or Team Lead Chief Judge live more than 40 minutes round trip travel time from the meet venue under normal driving conditions, these officials shall be reimbursed reasonable expenses for overnight lodging. Reimbursement will normally not be made for the night before competition commences or the night after it concludes, unless unusual circumstances would preclude the official coming from their home the morning competition commences or returning to their home the evening it concludes.

In the event adverse weather or other extraordinary conditions are anticipated, which might have a significant impact on expected travel times, the PVS Operations Vice Chair may waive the normal travel time requirement.

Dual occupancy of same gender officials is encouraged. Actual expenses will be reimbursed upon completion and submission of a PVS Expense Report, including original receipts to the PVS Finance Vice Chair.

This policy applies to Potomac Valley Swimming (PVS) Championship Meets, including but not limited to the following sanctioned events held annually in March (Short Course) and July (Long Course):

PVS Short Course Senior Championships

PVS Short Course 14 & Under Championships

PVS Long Course Open Championships

PVS Long Course 12 & Under Championships

Additional PVS Championship-level meets, if scheduled or restructured by the Competition Committee and approved by the PVS Board of Directors, shall also be governed by this policy.

REIMBURSEMENT OF TRAVEL AND LODGING EXPENSES FOR NATIONAL EVALUATORS AT OFFICIALS QUALIFYING MEETS

PVS will pay the travel expenses for National Evaluators invited by the Officials Committee for Officials Qualifying Meets. PVS will pay the lodging expenses for the Evaluators for PVS sponsored meets and Club hosted meets with Evaluators for OQM.

REQUIREMENT FOR CREDENTIALS

All USA Swimming/PVS registered coaches and officials who are required by USA Swimming and Potomac Valley Swimming to be registered USA Swimming members (all Officials, and Meet Directors) are required to have proof of their current USA Swimming membership credentials while participating in the conduct of USA Swimming/ PVS competition and be prepared to show that proof when asked by the Meet Director or Meet Referee. Any of the above individuals who do not abide by this policy will be asked to leave the area in which the competition is being conducted. Failure to do so will result in invocation of applicable USA Swimming or PVS penalties, and/or other disciplinary action by the PVS Board of Directors.

PVS may assess a \$100 fine against a PVS club who conducts a PVS sanctioned meet using a Meet Director who is not registered with USA Swimming as a non-athlete at the time of the meet.

SCRATCHES FROM FINALS

PVS-SPONSORED MEETS

Any athlete qualifying for an individual consolation or final race who fails to compete in the said final shall be barred from further competition for the remainder of the meet unless they indicate an intention to scratch by filing a PVS scratch form within thirty minutes of the announced results of the event or unless excused by the Referee. Athletes declaring an intention to scratch who do not confirm their intention within thirty (30) minutes following their last individual preliminary event will be seeded into the event. If the swimmer then fails to swim in finals they are barred from the rest of the meet. Athletes who are seeded into consolation or finals by virtue of scratches are not subject to penalty for failing to scratch but are encouraged to do so.

CLUB-SPONSORED MEETS

Meet announcements for club-sponsored meets run in preliminary-finals format shall specify scratch procedures and penalties for violation of these procedures.

USE OF PVS ELECTRONIC EQUIPMENT

PVS will rent timing equipment to PVS clubs, associate members and other local organizations with the following caveats:

- Meet boxes will not be provided.
- Computers and printers for computers will not be provided.
- The renting organization must pick-up and return the equipment to the PVS storage location.

Scheduled PVS competition always takes precedence over any request for use of Potomac Valley equipment. PVS clubs have next priority over other organizations.

It is required that organizations that request use of this equipment will:

- provide the knowledgeable manpower to install, operate, and remove the equipment
- provide reasonable care for the equipment while it is in their possession
- assume responsibility for loss or damage of the equipment

Organizations should request use of equipment as far in advance as is possible (but a minimum of three weeks) through the PVS Operations Chair using the [Equipment Rental Order Form](#).

See the [Equipment Rental Price List](#) for details including rental terms and conditions.

Non-PVS entities that wish to rent PVS equipment must pre-pay for the rental before they pick up the equipment. All rental requests from both PVS and non-PVS organizations will be sent to the Operations Vice Chair. If equipment is available to fulfill the request, the Operations Vice Chair will forward the request to the Equipment Manager for action and to the Treasurer for billing and accounting.

The PVS Board of Directors can waive rental fees for clubs under the same conditions as a waiver is granted for Sanction Fees for a charitable event, when proceeds are being donated to charity, see Financial Arrangements for Swim Meets.

PVS supports the purchase of meet equipment by PVS clubs. A one-time grant of 50% of the purchase price and no more than \$20,000 will be provided to cover meet equipment purchase costs. Upon applying for the grant, the club must present PVS with a copy of the payment receipt prior to receiving the funds.
