PVS Winter CCM Meeting

Tuesday, January 6th, 2026

7:00pm

Zoom Call

- Call to Order – The meeting was called to order by Age Group Chair, Chris Schlegel at 7:00 pm.
- Attendance
- PVS meeting attendance policy was reviewed. All clubs must attend at least two of the three Competition Committee Meetings plus House of Delegates. If a club fails to attend the required number of meetings, they will be fined.
- Approval of Fall Minutes
    - **Motion to approve the 2026 Fall Meeting Minutes, seconded and approved.**
- Approval of Agenda
    - **Motion to approve the agenda as presented, seconded and approved.**
- Administrative Updates
    - 2026 PVS LC Meet Hosts NEEDED. Currently we are scheduled for Fairland, Franconia and Audrey Moore. However, we are still waiting to hear if Fairland will be available in June. Loudoun County facilities (Claude Moore, Dulles South or Ashburn) will be available if needed. We will need to make a final decision on facilities by the end of January.
        - June 13-14 LC Distance
        - June 21st LC Open 1
        - June 28th LC Open 2
        - July 9th - 12th PVS LC Open Champs at UMD.
            - It was recommended that a survey be sent to all PVS clubs state their intention to participate in the PVS LC Open meets in June. This will help with planning and will allow PVS to drop a pool if all three sites are not needed.
                - **Motion that we endorse to the Board that we send out a survey regarding the anticipated participation in the LC Open meets by each club. If clubs do not respond, they may not be eligible to participate in the meets, seconded and approved.**
- 2027 PVS LC Championship Meet Proposal – Bryce Bohman presented the proposal
    - Aaron Dean lead the LC Championship Task force. They met and discussed different ideas on how to format the meets for the summer of 2027.
        - Capital Senior Championships: the last weekend of June. Would be a Sectional level/higher senior meet, 3.5 day format, priority will be given to PVS meets, but clubs outside the LSC will also be permitted to attend on a limited basis.

        - Age Group Meet – July 8-11 or 9-12. This moves the Age Group meet off Divisionals weekend. The format will be determined; 3.5 day or 4 day meet.
        - Open Championships (July 15-18)
            - Senior prelim/final, Junior prelims in the middle of the day and then full finals. Swimmers who participate in the Capital Senior meet will still be eligible to attend Open Champs.
                - **Motion to approve the 2027 LC meet proposal to move the LC Open Champs to July 15-18, as presented, seconded and approved.**
        - Does NCAP and RMSC support this proposal: Yes, NCAP does support adding the Capital Senior Meet and the change of dates for the AG and Open Champ meets.
        - RMSC has mixed feelings, while some may choose to attend, a majority of the club will not attend the Capital Senior Champ meet.
        - At this point, there has not be a full investigation of the budget impact of added this meet, nor have facilities been discussed.
            - If this body endorses this concept, then the BOD will need to closely look at the finances of hosting these three meets and what facilities will be used.
        - Based on conversations with clubs the committee believes the meet will financially make sense. They are unsure of meet numbers at this time, but with allowing PVS clubs and outside clubs, they feel it will be a viable sized meet.
        - With 2028 being around the corner, the Capital Senior meet in June 2027 could be a good time to get in a high level LC Meet.
        - Would it be better to have a club who is invested in this meet, run it as a club meet. Instead of asking PVS to find a host (which we currently struggle with)?
- 2027 PVS LC Meet Schedule: With the addition of the three LC Championship meet dates, the LC Open 1 will be June 13, LC Open 2 will be June 20 and the LC Distance meet will be June 26-27.
    - **Motion to approve the PVS LC Schedule as determined including the three new meet dates, seconded and approved.**
- 2026 - 2027 Club Schedule – the Club Meet Schedule was shared. Clubs will be given the opportunity to finalize dates at the May CCM. At that time we will finalize the 2026-2027 competition schedule and send to the board for final approval.
    - **Motion to approve the 2026-2027 club meet schedule for posting purposes and the schedule will be finalized at the Spring meet, seconded and approved.**
- PVS Meet Update (Oct, Nov, Jan Opens, Distance)
    - Any feedback on the October or November Open meets?
        - Nov Open at Fairland was a nice size and great timelines.
        - Oct Open at Fairland was too large.

- 2026 South Spring Sectional Location Update @ St. Mary's College – for information to the body.
    - 2026 LC Zone Coaching Staff (meet: July 29-Aug 1)
    - Nomination Link: 26 Zone Team Coaching Staff Nomination Link
        - Voting will take place at the Spring CCM Meeting
        - We are looking for Zone coaches. The link is on the PVS website as well. If you have any coaches that are interested, please have them sign up. The meet is a week earlier this summer (Aug 29-July 2). We currently only have 2 coaches who are interested and we need at least 6.
- PVS SC 2026 Select Camp Update & Information – Cherlynn and Chris are working with Fitter and Faster on the camps. A clinician has been named. Chris will ensure the wording is posted accurately as to who will be invited to attend this meet.
- Old Business
    - Outstanding Athlete Wording to be Updated and brought to the committee in the Spring Meeting
- Spring Meeting Date Wednesday, May 13th, 2026 at 7:00pm
