All Star Officials

Introducing Our 2025 - 2026 PVS All-Stars!

We are proud to recognize the officials who nominated themselves for this distinction and demonstrated an exceptional commitment to supporting PVS throughout the past year.

This recognition honors officials who, despite not having a PVS swimmer competing during the year, volunteered at least 15 sessions across three different PVS meets.

Your time, expertise, and commitment help make PVS meets possible and contribute meaningfully to the experience of our swimmers, coaches, and fellow officials. Thank you for your outstanding service and continued commitment to Potomac Valley Swimming!
